COMPANY
INTRODUCTION

Since 2004, Hisener was founded in Haining, Zhejiang, China, started the business as a threaded rods producer and shortly, established its full range fastener distribution line 2 years later. In 2010, we established the screws factory. Up to now, Hisener is known as one of the top suppliers of screws and various fasteners worldwide.

To fulfill customers' growing demand on different packaging on DIY market, Hisener established the facility of auto packing line and built warehouse in Haiyan in 2015. In 2017, we moved our packing lines and storage into a new building of 4000 square meters together with our screws factory which is located in Haining to increase the productivity. In 2022,A new modern factory of 32000 square meters has been opened,and our capacity reach a new height.

Now Hisener has more than 4000 items with different packing that supplied regularly to our customers which are continuously expanding. Strict production procedure and quality controlling are carried out in per product batch by our well-equipped laboratory to make sure that only qualified products can be delivered to our customers. Hisener is also certified by ISO9001:2015,ISO45001:2018.ISO14001:2015,also with ETA and CE certificate.

Hisener, a reliable, supportive, innovation, loyal business partner, definitely is your best choice.
